# **SPEAK EVERY DAY WITH CONFIDENCE.**

## **Interview Success Tips**

Strong, confident communication is essential to succeed in any job, and is a key skill most employers look for during an interview. Bloomberg asked 1,251 job recruiters at 547 companies about the skills they want but can't find. Guess which skill topped the list across industries? Communication!

It is clear that being able to think on your feet, respond with confidence and to interview well is essential to career success.

If you want to be more desirable to potential employers or, be first in line for a promotion, take a look at our tips for interview success.

- S** --- • **Show up on time**
- U** --- • **Use Vocal presence to exude confidence**
- C** --- • **Clarity counts- avoid mumbling which might lead to a lost message**
- C** --- • **Concise communication makes your message memorable**
- E** --- • **Eliminate filler words such as um, uh, like, "you know."**
- S** --- • **Slow down by using strategic pausing**
- S** --- • **Smile - people hire people they like and trust and want to work with**

Practice these 7 tips for success and you will develop a strong, confident image that will help you to achieve your professional goals

Like any other skill, mastering the art of confident communication takes practice. We work with professionals to ensure they convey clear and concise messages with confidence. Practice leads to mastery.
